## We have a new focused strategy for all our Members.

We're refocusing our Membership Structure to provide greater value for our Members. Being an Member of Tasmania's peak industry body for the Communications and Technology sector will give you access to exclusive Members' Benefits year round.

We pride ourselves on providing our Members with maximum value, access to our industry through connections, networking events, publicity and advocacy. And we're focusing on providing events that add maximum value for our Members.

TasICT Members are important to our organisation, so we're listening!

From 1st January 2025, our existing Members will roll into new Membership packages.

Extra Members Benefits for your whole organisation to expand to an Industry Leader Membership.

All TasICT Members receive a whole host of exclusive benefits including: Free registration to 4x annual Members-only Tapas & Tech events for you and a guest; Promotional access to our industry-wide newsletter; Events listing on website & social media; Business listing in our online Service Directory and a permanent acknowledgement on the TasICT website.

Members also have first-option to ticketed annual events with significant member discounts; access to TasICT corporate accommodation rates at all Federal Group venues Tasmania-wide; exclusive invitations to industry-wide events (such as the Parliamentary Friends of Technology event); career development opportunities; and ongoing engagement with senior ICT industry leaders and policy-makers.

### EMPOWERING PARTNERS MEMBERSHIP

\$15,000 / year \*

Technology is transforming Tasmania for the better and through our 'Empowering Partners' we recognise the companies who have been the true tech leaders for Tasmania. The companies in this category enjoy prominent recognition from TasICT and are the toast of Tasmania's tech community.

Empowering Partners have their choice of top tier sponsorship to one major event per year, and additional top-tier sponsorship for the Excellence Awards; are invited to policy-making round tables; have an opportunity to present at a TasICT Committee meeting; the opportunity to host a Tapas & Technology networking event, receive prominent publicity on all communication channels, the opportunity to co-host a Tapas & Tech event, and all other listed member benefits.
